## LANDS, FORESTS, AND WATER RESOURCES

### NOTICE

In the Matter of the Request for a Pulpwood Harvesting Area under Section 17A of the Forest Act and the Public Hearing of the Submission of Canadian Forest Products Ltd. Held at Prince George, B.C., on June 6, 1962.

UNDER authority invested in me under section 17A of the *Forest Act* as Minister of Lands, Forests, and Water Resources, a public hearing was held on June 6th in the Courthouse at Prince George, B.C.

At the hearing Canadian Forest Products Limited presented to me proposals for the establishment of a pulp operation in the Prince George Forest District. This operation to include the establishment of a fully bleached kraft pulp mill with an initial capacity of 500 tons per day with a possible expansion to 1,000 tons per day and the utilization of the pulpwood from the following public working circles and sustained-yield units: Parsnip, Crooked River, Carp, Stuart Lake, Westlake, Naver, Big Valley, Willow River, and Nechako.

In support of this proposal, statements were made by the following groups or individuals:—

- (1) The Mayor and Council of the City of Prince George, represented by Mr. Harry Loder, Acting-Mayor, and Mr. Thomson, municipal manager.
- (2) Prince George Chamber of Commerce, represented by Mr. Alex. Clark.
- (3) Prince George and District Industrial Development Commission, represented by Mr. H. Moffat.
- (4) Northern Interior Lumbermen's Association, represented by Mr. Gallagher, manager.
- (5) Eagle Lake Sawmills Limited and Penny Spruce Mills Ltd., represented by Mr. G. Brownridge, general manager.
- (6) Clear Lake Sawmills, represented by Mr. H. Roine.
- (7) Western Plywood (Cariboo Ltd.) Limited, represented by Mr. Pit Desjardins.
- (8) Mr. A. Cliff.

Two requests were received for me to withhold my decision.

The first was from Northern Kraft Limited, which requested an estimated sixty days in which to submit its proposals. On questioning, it became apparent that it would in fact be a separate overlapping proposal covering the Willow River and Big Valley Units.

Inasmuch as the proposal to be submitted by it would not be for the area contained in the advertisement of this hearing, and in view of the fact that no evidence whatsoever was submitted to show that the entire area was not required, considering the risks and uncertainties involved, to enable Canadian Forest Products to carry out the undertakings made in its proposal, I can see no useful purpose being served by a stay of sixty days.

The second was from Noranda Mines (Northwood Mills Ltd.), which requested a six months' adjournment on the grounds that this was a premature hearing because, due to the uncertainties of marketing and financing, neither Canadian For-

est Products nor Noranda Mines (Northwood Mills Ltd.) are in a position to offer a firm proposal which could be signed should the pulpwood harvesting area be granted.

I cannot accept this argument because, in fact, a firm proposal has been placed before me offering the posting of a performance bond of \$500,000, and it is not within my jurisdiction to pass judgment as to whether or not this offer has been made prematurely.

After considering the facts brought before me at the hearing, I am satisfied with the terms and conditions of the proposal submitted by Canadian Forest Products Limited.

Pursuant to section 17A, subsection (1) (d), I herewith designate the area within Stuart Lake, Westlake, Naver, Willow River, and Crooked River Public Working Circles and Nechako, Big Valley, Parsnip, and Carp Sustained-yield Units to be Pulpwood Harvesting Area No. 1. I further propose to grant to Canadian Forest Products Limited an option to purchase the pulpwood from the above-designated pulpwood harvesting area subject to an agreement satisfactory to me.

*Minister of Lands, Forests,  
and Water Resources.*
